I'm a thousand miles from nowhere  
Time don't matter to me  
'Cause I'm a thousand miles from nowhere  
And there's no place I wanna be

I've got heartaches in my pocket  
I've got echoes in my head  
And all that I keep hearing  
Are the cruel cruel things that you said

'Cause I'm a thousand miles from nowhere  
Time don't matter to me  
'Cause I'm a thousand miles from nowhere  
And there's no place I wanna be

Oh, I  
Oh, I, I, I

Oh, I  
Oh, I, I, I

I've got bruises on my memory  
I've got tear stains on my hands  
And in the mirror there's a vision  
Of what used to be a man

I'm a thousand miles from nowhere  
Time don't matter to me  
'Cause I'm a thousand miles from nowhere  
And there's no place I wanna be

I'm a thousand miles from nowhere  
Time don't matter to me  
I'm a thousand miles from nowhere  
And there's no place I wanna be

Thousand miles from nowhere, hey, oh  
Yeah yea oh, hey thousand miles
