Together again
My tears have stopped falling
The long lonely nights
Are now at an end.

The key to my heart
You hold in your hand
And nothing else matters
We're together again.

--- Instrumental ---

Together again
The gray skies are gone
Your back in my arms
Now where you belong.

The love that I knew
Is living again
And nothing else matters
We're together again.

No, nothing else matters
We're together again...
