WE GOT THIS HERE

[Qua Bo Gold]

Every since I could remember, I was a lil' ol' boy
I was ghetto natural baby, I never let em' steal my joy
Even though I had lonely days, I know he heard my
praise
I didn't even know which way but yet I come all this way
I'm from red Claymore, I'm from Blessing Brook
I represent all them hood, I backwoods
Might not of been sure baby but I'm ridin' pure baby
I know if I have faith and guard maybe I can endure
baby
I don't worry about facin' haters, I breaks em' off my
dear
I put it on noon for life, I say we gots this here

[Jazze Pha]

Guess what we hot this year and you are not this year
Man you can't stop this here, first week in the number
slot this year
Got shit on lock this year, glock gon' go pop this year
Candy toys gon' drop this year, niggas left in a maze
lost this year
A pimp current gon' pop this here, the Impala don't
stop this year
Ya girlfriend gon' cut this year, runnin' all up in them
guts this year
We got this here, here
Y'all motherfuckers ain't ready, cut em' with the
machete
Comin' down here nigga, drop top Chevy
Y'all ain't ready to mob with real heavy
Jazze Pha, the one ya love to hate
All in ya face with a slap this year
Give a fuck nigga who ya with
Nigga back on up, we got this here

[Hook x15]

[Mystikal]

The man right chea'

When I come up in this bitch ya can't stand right chea'

It's gettin' ugly, these niggas gettin' itchy

These bitches gettin' funky, it's gettin' real out chea'

Sick and tired of these niggas with the dumb shit, fuck
shit

Y'all talk a whole lot of shit

But when I catch ya in the street then ya face off top

Like a man you a whole lot of bitch

I got this here

Keep ya hand out my pocket or get shot this year

Let the glock cock, snap

Watch a nigga get knocked back

Look, been about this here

I come in this bitch gully

People that smilin' stand up and rushin' the alley

And if ya prevail

I'm bustin' they ass and bitch ya know it's there
