(Dwight Yoakam)

Chorus:

You're the one
You're the one
That made me cry
You're the one
That laughed at me
Then said goodbye
You're the one
You're the one
That made me blue
So how's it feel
Now that you're the one
It's happened to

Now you're back calling me with open arms
What happened to the one you met with all that charm
You say he's gone and you're alone well that's a shame
But if you think real hard I know you'll see just who's to blame

Chorus:

You're the one
You're the one
That made me cry
You're the one
That laughed at me
Then said goodbye
You're the one
You're the one
That made me blue
So how's it feel
Now that you're the one
It's happened to

You're begging me to think about the love we shared
Yet it seems to me not too long ago you didn't care
The love you left no longer lives within my heart
The game you played so recklessly tore it all apart

Chorus:

You're the one
You're the one
That made me cry
You're the one
That laughed at me
Then said goodbye
You're the one
You're the one
That made me blue
So how's it feel
Now that you're the one
It's happened to

Oh tell me how's it feel now that you're the one
How's it feel to be the one
How's it feel now that you're the one it's happening to

You're the one
Oh, oh, you're the one
Yeah, you're the one
You're the one

You're the one
Oh, oh, you're the one
You're the one
You're the one
