I'm so glad...
I will never find another lover
Sweeter than you
Sweeter than you
And I will never find another lover
More precious than you
More precious than you
Girl you are..
Close to me you're like my mother,
Close to me you're like my father,
Close to me you're like my sister,
Close to me you're like my brother
And you are the only one my everything
And for you this song I sing...

All my life
I prayed for someone like you
And I thank god
That I..that I finally found you
And all my life
I prayed for someone like you
And I hope that you feel the same way too
Yes, I pray that you do love me too

I'd send you all that I'm thinking of... baby

Said I promise to never fall in love with a stranger
You're all I'm thinking of
I praise the lord above
For sending me your love
I cherish every hug
I really love you

All my life (ohhhh..baby, baby)
I prayed for someone like you
And I thank god
That I... that I finally found you
All my life
I prayed for someone like you
And I hope that you feel the same way too
Yes, I pray that you do love me

You're all that I ever know,
When you smile all my face always seems to glow,
You turn my life around,
You pick me up when I was down,
You're all that I ever know,
When you smile my face glow
You pick me up when I was down
Say... you're all that I ever know
When you smile my face glows
You pick me up when I was down
And I hope that you
Feel the same way too
Yes I pray that you do love me too

And all my life
I prayed for someone like you
And I thank god
That I..that I finally found you
All my life
I prayed for someone like you
Yes, I pray that you do love me too

All my life
I prayed for someone like you
And I thank god
That I..that I finally found you
All my life
I prayed for someone like you
Yes, I pray that you do love me too

(fading)
And all my life
I prayed for someone like you
And I thank god that I... that I finally found you...
