Oooooooooooooooooo

Magic and b-riders

Hookin up with dyablo,

For that mamacita

(to all those pretty girls...pretty girls....)

What's going on pretty girl

Hey, i wanna talk to you girl come here

(this one is for you this one is for you)

Let me tell you something,

Check this out

Something about you baby drives me crazy

Something about this pretty girl blows my mind

(something about you girl blows my mind baby...)

Something about you baby (eres todo...) drives me
crazy

Something about this pretty girl (come on come on)

Blows my mind

Si tu supieras lo que siento

Cada vez que me pongo a pensar en todo los
momentos

All the good times we had me and you you and i

Hot summer nights making love in july,

The only girl that didn't give it on the first night

Una mujer incomparable im in love for life

Me cautivaste with your ways and all the things you do

My pretty girl i gotta make it it work with you

Tell the world tell your girls and your family

Con este anillo te prometo you're my everything

Cuz nobody has ever made me felt the way you do

I just dropped you off already miss you

Chica bonita sonrisa sincera,

I wanna be with you hasta que me muera

Lets make a pact and always be together

With you by my side girl im down for whatever

Something about you baby, drives me crazy

Something about this pretty girl blows my mind

Something about you baby, drives me crazy

Something about this pretty girl blows my mind

Solo una, es en la vida el amor te toca el alma

Un sentimiento limpio que hasta el dolor te calma

Siempre estuviste conmigo

En las buenas y en las malas conmigo

Solo Dios y tu son mi testigo,
Inolvidables momentos que juntos pasamos
Y los problemas mas fuertes juntos arreglamos
Incomparable mujer, a ti yo pertenecer, contigo yo
fallecer,
Juntos como un solo ser,
Una preciosa mujer
Que siempre esta a mi lado
Que en el dolor y las tristezas me has acompaado
Quieres mi vida te la entrego si es lo necesario
Pues en mi mente y corazn te tengo yo del diario
Te has incrustado tu en mi corazn(mi corazn...)
Como un implante eres mi salvacin (mi salvacin...)
Eres mi todo mi razn de ser
De la creacin la perfeccin una bella mujer
Something about you baby, drives me crazy
Something about this pretty girl blows my mind
Something about you baby, drives me crazy
Something about this pretty girl blows my mind
I usually don't believe in love at first sight
Ooooo but this girl had it all
You stood by with your crew from across the room
I had to keep my attention on you
Something about that pretty face that pretty smile
You couldnt help but to get lost in those pretty eyes
Yeah this girl she had it all
The type of women that you take to mother say look
what i found
Love and companionship
Someone to talk to these rough times who aint afraid to
handle it
And understands that my life is different and accepts it
This isn't what i expected
Yeah she's beautiful inside and out
Something hard to find in the world these days
Even on my worst day,(ha ha ha)
Shes got me happy like a kid waking up on his birthday
Yeah this love was different it was based on friendship
Im letting you know im ready to ride out with you
Something about you baby, drives me crazy
Something about this pretty girl blows my mind
Something about you baby, drives me crazy
Something about this pretty girl blows my mind
