There's something about our world today
That makes me wanna cry
There's too much anger and too much pain
Too much money and too many lies

If I could have one wish tonight
I would beg of us to forget our pride
If we could do just one thing right
We could help each other to love our lives

All I'm dreamin of
Is good times, good friends, and somebody to love
All I'm dreamin of
Is no fears, no tears, and blue skies up above

There's people around us everywhere
Who need help like you and me
A family was taken by a storm
And we just watched it on T.V.

If I could have one wish tonight
I would beg of us to forget our pride
If we could do just one thing right
We could help each other to love our lives.

All I'm dreamin of
Is good times, good friends, and somebody to love
All I'm dreamin of
Is no fears, no tears, and blue skies up above

When one thing's right another is wrong
But in the end love will always keep us strong

All I'm dreamin of
Is a house on a hill and somebody to love
All I'm dreamin of
Is the sun to shine and blue skies up above
