You promised  
We believed you  
The water's getting high  
I got I,  
You got you,  
Why must we choose and die  
Yeah, yeah  
Why must we choose and die

We are, we are  
Waiting, waiting  
We keep hearin' the change has come and gone  
It's been too long  
If it's comin'  
I wanna know where the change is coming from

Deep pockets  
Bodies piled high  
How can you sleep at night

I got I,  
You got you,  
Why must we choose and die  
Yeah, yeah  
Why must we choose and die

We are, we are  
Waiting, waiting  
We keep hearin' the change has come and gone  
It's been too long  
If it's comin'  
I wanna know where the change is coming from

Make your move  
It's time  
It's true  
yes you can  
It's time  
You do

We are, we are

Waiting, waiting  
We are, we are  
We're waiting for a change

We are, we are  
Waiting, waiting  
We keep hearin' the change has come and gone  
It's been too long  
If it's comin'  
I wanna know where the change is coming from
