Look Out Here Come Another Big Day,
Open Your Eyes Be Brave/
Turn Up Turn Down, Gotta Turn The World Around,
It's So Dark You Can't See.

Good News Bad News Makes You Wanna Sing The
Blues,
I'm So Shy Just Like You.
We're All Searching, Gotta Find The Real Truth,
People People May I Ask You

Where Have All The Cowboys Gone,
That Made The West So Strong.
They're On The Trail That's Long Long Gone
Sing The Cowboy Song.

Watch Out Here Comes We All Wanna Free Ride,
Ain't No Free And It Ain't No Ride.
High Tide Low Tide, Feel As Though We're King High,
We Got Pain, But We Got Pride

Big Gun Small Gun Gotta Us All On The Run,

Go Down Low And Have Fun,
While Your Searching Find Us A Hero,
God Only Knows We Could All Use One,

Where Have All The Cowboys Gone,
That Made The West So Strong,
Their On The Trail That's Long Long Gone,
Sing The Cowboy Song,

SOLO

Where Have All The Cowboys Gone,
That Made The West So Strong.
They're On The Trail That's Long Long Gone
Sing The Cowboy Song.

Where Have All Our Heroes Gone,
What In The Hells Gone Wrong?
