I am just a man of blood and bone  
And simple means  
That old bossman works my body long and hard  
But on the weekends you know I'm free

Got me a crosstown woman  
Got me under her spell  
Got me a crosstown woman  
She's like my heaven with a whole lot of hell

I have seen the girls of New York City  
And the Frisco bay  
But there ain't no woman on this earth, make me  
feel her voodoo  
Quite the same  
Got me a crosstown woman  
Got me under her spell  
Got me a crosstown woman  
She's like my heaven with a whole lot of hell

Woo ooh woo ooh  
Woo ooh woo ooh woman  
Woo ooh woo ooh  
Woo ooh crosstown woman

Got me a crosstown woman  
Got me under her spell  
Got me a crosstown woman  
She's like my heaven with a whole lot of hell  
She's my Crosstown Woman
