I've seen your evil ways
And your corrupting mind
Lay the hourglass over
So we don't waste our time
Now throw your burdens out
And throw your heart to me
I don't know what'll come
We'll have to wait and see

Like a shooting star
And you're falling from me
As you fade away
My heart skips a beat

I know you're down on love
But we can love again
So open up
Come on invite me in
Now throw your burdens out
And throw your heart to me
I don't know what'll come
We'll have to wait and see

Like a shooting star
And you're falling from me
As you fade away
My heart skips a beat

I've seen your evil ways
And your corrupting mind
Lay the hourglass over
So we don't waste our time

Like a shooting star
And you're falling from me
As you fade away
My heart skips a beat

I'm a howlin' wolf
You're a shooting star
Yes I am

You're a shooting star
