I've seen your evil ways  
And your corrupting mind  
Lay the hourglass over  
So we don't waste our time  
Now throw your burdens out  
And throw your heart to me  
I don't know what'll come  
We'll have to wait and see

Like a shooting star  
And you're falling from me  
As you fade away  
My heart skips a beat

I know you're down on love  
But we can love again  
So open up  
Come on invite me in  
Now throw your burdens out  
And throw your heart to me

I don't know what'll come  
We'll have to wait and see

Like a shooting star  
And you're falling from me  
As you fade away  
My heart skips a beat

I've seen your evil ways  
And your corrupting mind  
Lay the hourglass over  
So we don't waste our time

Like a shooting star  
And you're falling from me  
As you fade away  
My heart skips a beat

I'm a howlin' wolf  
You're a shooting star  
Yes I am

You're a shooting star
