Beautiful flowers lying lonely on a grave
Such a beautiful smile trying hard to hide the pain
I would have loved to have loved you with every waking
hour
Now through the good times and bad
All I'm ever gonna have are these beautiful flowers

Sometimes you're right
Sometimes you're wrong
Sometimes you fight
Sometimes you fall
Maybe it's me still missing you
Sometimes a lie is better than the truth
If I'm wrong, I'll be damned
You're still gone and here I stand
Staring at the mirror again

Yesterday's tears are forgiven by the rain
Tomorrow's goodbyes are always standin' in the way
I would have loved to have kept you
But didn't have the power
While times still movin' on
You know I'm still holdin' on
To these beautiful flowers

Sometimes you're right
Sometimes you're wrong
Sometimes you fight
Sometimes you fall
Maybe it's me still missing you
Sometimes a lie is better than the truth
If I'm wrong, I'll be damned
You're still gone and here I stand
Staring at the mirror again

Whoa oh oh
Whoa oh
Whoa oh

Sometimes you're right
Sometimes you're wrong

Sometimes you fight
Sometimes you fall
Maybe it's me still missing you
Sometimes a lie is better than the truth
If I'm wrong, I'll be damned
You're still gone and here I stand
Staring at the mirror again

Here I stand
Staring at the mirror again
Staring at the mirror again
