I've got a Trans-Am in primer paint  
Nobody taught me, I was born this way  
No silver spoon to feed a 401k  
On Bourbon Street the girls all scream  
They callin' out my name

I wanna be a white trash millionaire  
Ain't got much and I don't care  
Count your cash and kiss my ass  
The whole damn world gonna know I'm here

Got two zig-zags and you know I'll share  
I'm everyone from nowhere  
White trash, white trash, white trash millionaire

Some got a castle, a Mercedes Benz  
Big time appointments and all their fake friends  
So tell me is that is good as it gets  
On the couch on the front porch  
We're all smokin' left handed cigarettes

I wanna be a white trash millionaire  
Ain't got much and I don't care  
Count your cash and kiss my ass  
The whole damn world gonna know I'm here

Got two zig-zags and you know I'll share  
I'm everyone from nowhere  
White trash, white trash, white trash millionaire

Well, get 'em up, get 'em up, get 'em up high  
Now we're gonna go from side to side  
Front to back, back to front, front to back  
Here we go, here we go

I wanna be a white trash millionaire  
Ain't got much and I don't care  
Count your cash and kiss my ass  
The whole damn world gonna know I'm here

Got two zig-zags and you know I'll share  
I'm everyone from nowhere

White trash, white trash, white trash millionaire

I wanna be a white trash millionaire  
Ain't got much and I don't care  
Count your cash and kiss my ass  
The whole damn world gonna know I'm here

Got two zig-zags and you know I'll share  
I'm everyone from nowhere  
White trash, white trash, white trash millionaire
