"So Sorry"

I'm sorry that I went away
When you said you needed me
I'm sorry I let you go astray
I was not who I was supposed to be
I wasn't there for you (when you needed me)
To care or show my love for you

But your gone now, it's too late,
I wasn't there, you could no longer wait
You took your life, couldn't stand it no more
You went further than before
There was so much more that I could have done
But I was too scared when I saw you run
Further from where your supposed to be,
I'm so sorry.

I cut deep wounds in you that wouldn't heal
But I couldn't see
You played it off like it was no big deal
But it stayed in your memory
What I wouldn't give to go back again
This time, to be a real friend

But your gone now, it's too late
I wasn't there, you could no longer wait
You took your life, couldn't stand it no more
You went further than before
There was so much more that I could have done
But I was too scared, when I saw you run
Further from where your supposed to be
I'm so sorry

I missed the chance of a lifetime,
To show you your great worth
I closed my eyes to the pain that dwelt inside of you
I was no light in the dark

But your gone now, it's too late
I wasn't there, you could no longer wait
You took your life, couldn't stand it no more
You went further than before
There was so much more that I could have done

But I was too scared, when I saw you run
Further from where your supposed to be
I'm so sorry
I'm so sorry
