Welcome Scumbags to the N. J.  
Now entertain us with substance  
Four star seating  
Minds are moving to violations  
Tum tum floating, capped down with the bucket  
And no suffering  
No suffering  
Hotel room  
Micro-world  
Rectify the lodgings  
Cheek and gum, saliva slums

Chew, glob, goo in chipeland  
Chocolate pretzel  
The oasis to violations  
Barefoot frolic the valley is dammed  
Yet no suffering  
No suffering  
Kodiak  
Cesspool drool  
Just a pinch of Winto Chew  
Chipe saves usÂ...  
Chipe saves usÂ...  
El fin.
