Immortal Gods Of Life, Cast Into Waves, Bleed For The  
Maker, Drowning In His Faith, No Resurrection, Crush  
The Lifeless Spawn, Preview Of Tomorrow, Dying Dead,  
Already Gone, Without Face Or Features, The Concede,  
The Forgotten Word, Theirs To Preach, An Exaltation,  
Contract In Blood, My Life Is In Their Hands And I Have  
Given Up, Untold Through Time, Ancestors Of The  
Falsity Above, Like Ancient Candles Burning Air That  
We Adore, The Love, Has Depleted, The God, Now  
Unseated, I'm Declared The Divine...Mangled, Godless  
Beings, Severed From Their Life Tortured, Headless  
Angels, Falling From The Sky Demons, Raping Virgins,  
Their Atonement Denied Divine, Father Damning,  
Exoneration Declined...No! Penance For The  
Dead...Reborn, Redemed, Expelled From The Past A  
Cross Will Rise, Celestial Light Uncompromised A  
"Netherworld" We Shall Create Where Love Is Crushed  
And Ruled By Hate, Ascension To The Higher Plain,  
Such Astronomical Disdain Repentance For  
Life...Profane Existence...Sacreligious  
Ways...Reprobated Minds...You're Sacrificed! This  
Crucifix Chokes My Throat, On Dying Words I Spoke, I'm  
alone, To Myself Unknown, Born In Time, Undefined, In  
Their Eyes I'm Blind
