Searching, Wandering  
Looking for the perfect specimen  
Still pure, immature  
Acknowledged sickness concealed, swaggering  
Unseen, stalking  
Ascertain the prey  
Creeping quietly

Gracious second skin  
Courteous facade accepted  
The cultured do not harm  
Fitting in amongst the sheeple

Purpose clear  
Sheltered secret  
Unsoiled inceptive  
Infantile delight  
The itch that needs attention  
Clandestine recreation  
Craving obscured outside  
Covering unbridled pretense

Breaks from the masquerade  
Unrestrained fleeting moments reminiscence  
To comprehend the need, ecstasy  
Schizophrenic lies, seeking explanation

No excuse,  
Unchecked, no reasoning  
Devoid of disease,  
Disguised expertise  
Living in the shroud of ordinary  
Waiting to unleash the polished skill set

Plethors of just rewards  
Life through the power of the conquered  
Repulsed by the dormant time  
Disgusted by outlook of offspring should not breed

Arrogance in no one looking  
Not suspected in any wrongs  
Knowing steps of specialized inquiry

Superiority on display  
Flaunting prowess prodding counterparts  
Provocatioin stands unanswered  
Divergence of standard procedure  
Bestowment of allusion granted

Come on, false rival

No excuse, unchecked, no reasoning  
Devoid of disease, disguised expertise  
Living in the shroud of ordinary  
Waiting to unleash the polished skill set
