

Dying Fetus "Tearing Inside The Womb"

Visit "[Tearing Inside The Womb](#)" on MotoLyrics.com

A Rotting Crotch Severed And Brown With Veins Of
Protruding Inhumane, Forced Inside Another Life,
Never To "Rise" Again, Laughing At This Farce, A
Coroner's Delight, Open The Body Revealing A Stump,
Gasp At The Hideous Sight, She'll Rot Before Me, She
Deserves This Death, She'll Rot So Beautifully, Crushed,
I Take Her Life, It's So Delightful, But It's Her This Time,
It's All So Fucking Delightful, Now She's Just A Vision Or
The Gore I Have Come To Know And Love, I Seek, I
Find, She Dies!!! Forced Inside This Bizarre Sexual
Demise, Her Body Crawls With Flies, As She's Ripped In
Half, The Scent Terribly Described, They're Never Left
Alive, The Pleasure Of The Dead, Womb, The Goal I
Have In Mind, To Feast On This Sublime, Internal
Masterpiece, Tear Further Deep Inside, I've Got To
Reach The Prize, Tearing Inside The Womb!!! As I
Shovel Out This Mess, So Beautifully Created, Love And
Peace Are One With Me, My Mind And Your Flesh Have
Mated
