Flesh Consumption!!! Tearing Apart, Creating My Art,
Molding The Parts From This Lifeless Lump, Stretchign
The Face, That's Where I Start, (Twisting And Turning I
Slowly Devour Your Corpse), Mourning The Loss, I'm
Distraught, Perpetual Fear In Your Severed Heart, To
Erase It I Must Pull It Out, (And While I'm Swallowing I'm
Cutting Away At Their Heads), Keep Your Alive While I
Survive, By Sucking The Innards Sublime, A Foray Into
Maliciousness, (Sending Your Body Into The Gore
Nebula), Gore!!!...It Ends The Conscience Of My
Destined Hell, Gore!!!...Wounds Terminate Wretched
Hell
