Stare In My Eyes, The Window To Your Soul, A Vision Of  
The Prophecy At Hand, Entranced And Deceived, You  
Fall Onto Your Knees, Give To Me The Pleasure I  
Demand, I Just Go By Instinct, There Is No Thought Out  
Plan, A Search For Penetration, A Lust Dream Of The  
Damned, Your Body Now Forgotten, It's Safe Within My  
Hands, Your Flesh Is My Salvation, The Sanctity Of Man,  
We're All The Same, An Existentialist's Nightmare,  
Creation, A Purpose Inane, Death, An End,  
Dimensional Crossing, A Spirite, Evolved Profane,  
Fornicate, A Quest For Self Pleasure, Undenied I Rise,  
Afterlife, The Desperate Measure, Sovereign Sacrifice,  
Ascension From The Dawn, Iconoclast Enthroned, Hope  
Is All But Gone, A Harbinger Alone, Dilute My Blood  
With Yours, Acquire To The Taste, Carrier Of What I  
Need, Your Blood Shall Be My Wine! Feel The Blood  
Run Through You And Into Me, A Fluid I Belong To, An  
Epicure, Strength From The Indulgent, I Extricate,  
True Exacerbation, An Anathema, This Is The Start Of  
What's To Come, With The Dying Breath Of The Chosen  
One, We'll Turn Your Many Into None, From Hell Your  
God To Begotten Son, No Remorse For The Fallen, A  
Reason To Be Served, A Bloodbath Mate Received My  
Hate, Not A Victim Just My Whore, A Taste Your Mouth  
Cannot Fathom, On Excess It Will Appease
