"Death To The Dance Floor"

If I should flee, if I should fall I know that 10% of you
are there to cushion the blow (wake, wake, wake when
you call again... but break, break, break before you fall
again)

If I should crash, if I should stall will the coward 90 be
there to swarm the dance floor (wake, wake, wake
when you call again... but break, break, break before
you fall again)

Death-To-The-Dance, Dance, Dance-Floor! (death,
death, death-to-the-dancefloor, death, death, death-
to-the-dancefloor)

Death to the dance floor
Death to the dance floor

Repeat!
