If it's in your eyes then it's in your mind,  
If it's in your mind it's in your thoughts,  
If it's in your thoughts then it's in your words.  
With all your heart those words will heal me.  
If it's in your words then it's in your voice,  
If it's in your voice it's in my ear,  
If it's in my ear then it's in my head.  
With all your heart those words will heal me.

This is what it feels like.

Feels like sleep,  
Feels like sleep,  
Feels like sleep,  
Feels like sleep.

When I'm lying in your arms you tell me  
It's only your heart that matters.  
When I'm lying in your arms you tell me  
It's only your heart that matters.

Feels like sleep,  
Feels like sleep, sleep in my... (sleep in my)  
Feels like sleep,  
Feels like sleep.

If it's in your eyes then it's in your mind,  
If it's in your mind it's in your thoughts.  
If it's in your eyes then it's in your mind,  
If it's in your mind it's in your thoughts.  
If it's in your eyes then it's in your mind,  
If it's in your mind it's in your thoughts.  
If it's in your eyes then it's in your mind,  
If it's in your mind then this feels like sleep.  
Sleep in my (sleep)

Feels like sleep,  
Feels like sleep, sleep in my bed  
Feels like sleep,  
Feels like sleep.
