When you feel so weak  
And you scratch those stitches  
Reminding you of why you fell away at the off-set

And you can't hold sleep  
And you've gambled more than enough  
You can't depend on them

Still, I adore the taste of rain  
And the bounce of bone on ground  
It reminds me

Make a wish tonight  
All the stars are out  
It's out of your hands, but not out of reach

It's not out of reach  
This is not out of reach

You feel so weak  
You burst those stitches  
Reminding you just why you felt so cruel

Still, I adore the taste of rain  
And the bounce of bone on ground  
It reminds meee that

Still, I adore the taste of rain  
And the bounce of bone on ground  
You can't depend on them

Make a wish tonight  
All the stars are out  
It's out of your hands, but not out of reach, just,

Make a wish tonight  
All the stars are out  
It's out of your hands, but not out of reach cos  
(Its not out, it's not not out of reach)

They build you up, they build you up

Don't, don't run away dear  
Don't, don't run away dear  
Don't, don't run away dear  
Don't, don't run away dear

Still, I adore the taste of rain  
And the bounce of bone on ground  
And the crackle of water well in the mark of all your...

Make a wish tonight  
All the stars are out  
It's out of your hand but not out of reach  
It's out of your hand but not out of reach
