

Dying Passion

"Years Fly"

I've lived buried all of my life
To waiting for a sign
To get to know you better
To see if you're divine

Each and every promise
Is a hypocritical lie
Without seeing your real face
I just don't
Want to die

Years fly with every minute
I'm dead
I'm dead before I'm born
I try to get out of my tomb
The struggle inside
Makes me torn

Years fly with every minute
I'm dead
I'm dead before I'm born
I try to get out of my tomb
The struggle inside
Makes me torn

I have lived forgotten
Since the thought entered my head
To beg for a beam of light,
In the world of the Dead

Each and every promise
You failed to keep
Made me stronger to believe
I'm the one to
Trust indeed

Years fly with every minute
I'm dead
I'm dead before I'm born
I try to get out of my tomb
The struggle inside

Makes me torn

Years fly with every minute
I'm dead
I'm dead before I'm born
I try to get out of my tomb
The struggle inside
Makes me torn

Years fly with every minute
I'm dead
I'm dead before I'm born
I try to get out of my tomb
The struggle inside
Makes me torn

Years fly with every minute
I'm dead
I'm dead before I'm born
I try to get out of my tomb
The struggle inside
Makes me torn

Years fly with every minute
I'm dead
I'm dead before I'm born
I try to get out of my tomb
The struggle inside
Makes me torn

Years fly with every minute
I'm dead
I'm dead before I'm born
I try to get out of my tomb
The struggle inside...
