Silence is golden
Rotten to cores
Closing all doors
Forgive me
(Rpt x2)

Chorus

Don't forgive me
No don't forgive me
Never forgive

I've got the wealth of new ideas
I've got the wealth of new ideas
I've got the wealth of new ideas
I've got the wealth of new ideas

Eyes are frozen
Stinging and broken
Blind but open
Forgive me
(Rpt x2)

Chorus

I've got so many new ideas
I've got so many new ideas
I've got so many new ideas
(Show me show me show me all the new ideas)

I've got so many new ideas
I've got so many new ideas
(Show me show me show me all the new ideas)
(Rpt x2)

I've got so many ne ideas
(Show me show me show me all the new ideas)
