1, 2, 3,
I missed the bus as it came around,
And during gym class, my pants fell down,
Looked in my locker, couldn't find my books,
And now all the teachers give me dirty looks!

Came around with my backpack on,
Then hittin' the books till the crack of dawn,
Stared at the clock waiting for the bell,
If it doesn't ring soon, I'm gonna yell!

School's out! Let's rock & roll,
School's out! Gonna lose control,
School's out! Recess never end,
School's out! Party with my friends!

School's out! Let's rock & roll,
School's out! Gonna lose control,
School's out! Recess never end,
School's out! Party with my friends,
School's out!
