(Spoken)
Yo Black
What's up Street?
Soup's ready
Sure it's ready?
I know it's ready
Is the soup hot?
Too hot
Burnin' hot?
Crazy hot
What's in the soup?
All the ingredients
Talkin' bout the kind of soup Mama would make?
I'm talkin' bout the kind of soup Mama would make for
the projects,
You know what I'm sayin'?
Well let's show them what this soup is about
I think they're ready for it. I think it's time. I think it's
time to
Show
Them how we roll
Cause we got control
Control of ourselves and such peueurs
Right
So we gotta get the cash
Gotta get the dough
But I want the plantinum, I want the multiple
(BLACKstreet is in control)
But we gotta give the people what they want
Oh we gonna give it to them, they deserve it, you know
what I'm
Sayin'?
Yeah, yeah no doubt
BLACKstreet is in control
