Buy me love, money can't buy me love
Buy me love, money can't buy me love
Buy me love, buy me love

I'll buy you diamond rings my friend
If it makes you feel alright
I'll give you anything my friend
If it makes you feel alright

I'll give you all I've got to give
If you say you love me too
And I don't care too much for money
'Cause money can't buy me love

Buy me love, money can't buy me love
Buy me love, money can't buy me love
Buy me love, buy me love

You say you don't want no diamond rings
And I'll be satisfied
Tell me if you want these kind of things
That money just can't buy

I may not have, a lot to give
But what I got I'll give to you
I said, I don't care too much for money
'Cause money can't buy me love

Buy me love, money can't buy me love
Buy me love, money can't buy me love
Buy me love, money can't buy me love
Buy me love, money can't buy me love
Buy me love, buy me love, buy me love, buy me love
