Tonight

Gotta take these records off the shelf

Play somethin' special for yourself

It's over now

Gotta leave your troubles far behind

Or just enough to ease your mind

'Cuz only time can decide

Baby, you'll be alright this time

(Oh, oh, oh, oh I, oh I)

This time

(Oh, oh, oh, oh I, oh I)

Say my name, when you feel the pain?

I'll be there to shelter when it's pourin' rain

If I can do anything

Girl you know, I'll try

Times are rough

You feel you're goin' nowhere

Your sadness hurts so bad

And there's no one to care

The sun shines after the rain

Girl I know

'Cuz I been there before

In this world all alone

And you been there for me

And you gave me your all

I've there before

You'll come around

And you'll be alright

'Cuz this is your time, so

Tonight

Gotta take these records off the shelf

Play somethin' special for yourself

It's over now

(Now)

Gotta leave your troubles far behind

(Far behind)

Or just enough to ease your mind

'Cuz only time can decide
(Can decide)
Baby, you'll be alright this time, yeah
(Oh, oh, oh, oh I, oh I)
This time, yeah
(Oh, oh, oh, oh I, oh I)

Just when you think love's about to end
That's when you find a new beginning
It's a part of life
(Life)

You wonder why you go all through a change?
Why it seemed like things never go your way?
Girl, I know how it feels to be alone?
'Cuz I been there before at the bottom alone
I know the way to reach the top

You got to let go
I've been insecure
You'll come around
And you'll be alright
'Cuz this is your time, so

Tonight
Gotta take these records off the shelf
Play somethin' special for yourself
It's over now
Gotta leave your troubles far behind
(Far behind)
Or just enough to ease your mind
'Cuz only time can decide
(Time)
(Can decide)
Baby, you'll be alright this time
Oh, oh
Yeah, yeah

Whoa
Tonight
Gotta take these records off the shelf
Play somethin' special for yourself
It's over now
(Now)
Gotta leave your troubles far behind
(Far behind)
Or just enough to ease your mind

Whoa
Tonight
(Remember the time for each other)

Gotta take these records off the shelf
(By the day we'll be there forever)
Play somethin' special for yourself
(You already have there)
It's over now
(You never know the rain can come)
Gotta leave your troubles far behind
(You can call me anytime)
Or just enough to ease your mind
(Enough we have in here, baby)

Whoa, tonight
(Whoa, tonight)
Gotta take these records off the shelf
Play somethin' special for yourself
Oh, tonight
Troubles are far behind
Let me ease your mind

Whoa
Tonight
Gotta take these records off the shelf
Play somethin' special for yourself
It's over now
Gotta leave your troubles far behind
Or just enough to ease your mind
