It's alright, baby

I can't, get you out of my mind
Your love is, one of a kind
You've given so much of yourself
I swear, don't want nobody else

Baby, don't you know
That I'll do anything for you
I'll give you my time, give you my heart
Give you the world if you want me to

Life hasn't been easy
Knowing that you love somebody else
Ain't nothing I can do about it
All I have to blame is myself, and I can't

I can't, get you out of my mind
Your love is, one of a kind
You've given so much of yourself
I swear, don't want nobody else

I thought I had you fooled, with the girls
And the things that I was putting down
But little did I know Miss Thang
Was spreading business all over town

I don't know what she told you
But I bounced upon the love one time
I took her to my house, laid her on the couch
Set it affray, then threw her ass out

So what about the girl in the 6-4
She didn't mean a damn thing to me, baby
She needed a ride from the jam
And being the man that I am, I said, "You can"

And what about the girl in the drop-top
With the lollipop, at the light, by the bus stop
You musta beel fooled into thinkin' the kid was slack
Girl I did my thing, but now I want my baby back, girl I
can't

I can't, get you out of my mind
Your love is, one of a kind
You've given so much of yourself
I swear, don't want nobody else

Damn, just picked the wrong time to mess up
From the time you left me
Up until this moment
I just couldn't get you off my mind

But I know if we could start all over again
I know things won't be the same
I can make it better
I swear, I swear, girl, I swear

I can't, get you out of my mind
Your love is, one of a kind
You've given so much of yourself
I swear, don't want nobody else

I can't, get you out of my mind
Your love is, one of a kind
You've given so much of yourself
I swear, don't want nobody else
I can't, get you out of my mind
