Yeah, I get so lonely without you

Ohh, I get so lonely
(So lonely)
Can't let just anybody hold me
You are the one that lives in me, my dear
(You are the one)
Want no one but you

Sitting here with my tears, all alone with my fears
I'm wondering if I have to do withoutcha
But there's no reason why I feel asleep late last night
Crying like a newborn child, holding myself close
Pretending my arms are yours, I want no one but you

Ohh, I get so lonely
(So lonely)
Can't let just anybody hold me
You are the one that lives in me, my dear
(You are the one)
Want no one but you

I still remember to the day, in fact is was a 3rd Monday
You came along to be the one for me
And now I'm so all alone, I'm sitting here by the phone
(The phone)
Called to say that you're okay, so that I have
The chance to beg you to stay, I want no one but you

Ohh, I get so lonely
(So lonely)
Can't let just anybody hold me
You are the one that lives in me, my dear
(You are the one)
Want no one but you

(I get so lonely)
Every time I see your face, baby
(Can't let)
Every time I hear your name
(Just anybody hold me)

Hard to believe that you and me
(You are the one)
No longer
(That lives in me, my dear)
I want no one but you

(I get so lonely)
Every time I see your face, baby
(Can't let)
Every time I hear your name
(Just anybody hold me)
Hard to believe that you and me
(You are the one)
No longer
(That lives in me, my dear)
I want no one but you

Break it down, reak it down
Gonna break it down
Break it down, break it down

(I get so lonely)
Every time I see your face, baby
(Can't let)
Every time I hear your name
(Just anybody hold me)
Hard to believe that you and me
(You are the one)
No longer
(That lives in me, my dear)
I want no one but you

You know
(I know)
That I know
That I get so lonely
Thinking of you

Ohh, I get so lonely
(So lonely)
Can't let just anybody hold me
You are the one that lives in me, my dear
(You are the one)
Want no one but you

Ohh, I get so lonely
(So lonely)
Can't let just anybody hold me
You are the one that lives in me, my dear
(You are the one)
Want no one but you

Ohh, I get so lonely
(So lonely)
Can't let just anybody hold me
You are the one that lives in me, my dear
(You are the one)
Want no one but you
