[Blackstreet]:

I'm sorry
I will do anything for you
Will you forgive me?
Just don't cry
Don't cry
Listen
Ah yeah
Just wanted to talk to you
I'm sorry

Just when you think you're strong enough
Temptation raises it's head
'cause I kept on thinking
That I got a good woman back home
But I didn't regret it
Til it was over (what should I do?)
I shoulda never told (you were untrue)
How could I let it show?

That girl put a spell on me
I couldn't stop thinking about it
But I've got my lady
That I can't live without

(Chorus):

If you look into my eyes, it says I'm sorry
I didn't mean to hurt and ever make you cry
I know I've got a good thing, girl
So don't you worry (no, no, no, no)
I'd go outta my way to keep you satisfied

We've got a future, I don't move along
I know it's easier said than done
But don't let this one mistake
Put a break on what we make
Please forgive me
I'm so sorry

[8th Ave]:

Even though I forgive you
It won't be the same

All those sleepless nights
Explain everything

[Blackstreet]:
That girl put a spell on me
I couldn't stop thinking about it
But I've got my lady
That I can't live without

(Repeat Chorus)

Girl, I'm sorry
Forgive me
There's no reason why
Please don't cry
I love you
Ohhhh
Noooo
Ohhhh
Ohhhh

Lady, lady
Little lady
Please, I promise I
I'm saying that I'm sorry

(Repeat Chorus) x2

I'm sorry
