Good morn or evening, friends  
Here's your friendly announcer  
I have serious news to pass on to everybody  
What I'm about to say could mean the world's disaster  
Could change your joy and laughter to tears and pain  
What I want the world to know is

Love's in need of love for the love today  
Don't delay, send yours in right away  
Hate's goin' 'round breaking many hearts  
Stop it, please, before it's gone too far

The force of evil plans to make you it's possession  
And it will if we let it destroy everybody  
We all must take precautionary measures  
If love and please you treasure  
Then you'll hear me when I say

Oh that, love's in need of love  
Love's in need for the love today  
Don't delay, don't delay  
Send yours in right away, right away

Hate's goin' 'round  
Breaking many hearts, breaking hearts  
Stop it please, stop it please  
Before it's gone too far, gone too far

Love's in need of love today  
Love's in need of love today  
Don't delay, don't delay  
Send yours in right away, right away

You know that hate's, hate's  
Hate's goin' round, goin' round  
Breaking many hearts, breaking hearts  
Stop, stop it, please  
Before it's gone too far, gone too far

Love's in need of love today  
Love's in need of love today  
Don't delay, don't delay

Send yours in right away, right away

You know that hate's, hate's  
Hate's goin' 'round, goin' 'round  
Breaking, hate's tried to break my heart many times  
Breaking hearts  
Don't, you've got to stop it please, stop it please  
Before, before, before gone too far

Love's in need of love today  
Love's in need of love today  
Don't delay, don't delay  
Send yours in right away, right away

You know that hate's, hate's  
Hate's goin' 'round, goin' 'round  
Breaking, hate's tried to break my heart many times  
Breaking hearts  
Don't, you've got to stop it please, stop it please  
Before, before, before gone too far

Hate's, hate's, hate's goin' 'round  
Bring it down a little, love is very peaceful  
So bring it down a little  
Well, stop it please before it's gone too far
