Baby, I don't know what the problem is

This house is empty  
I need you in  
Abandoned home  
It gets so lonely  
Tell me what's wrong  
(all hope is gone)  
I can't go on

Been occupied by your memory  
Three words explains the way I'm feelin'  
I need your love  
I can't go on in misery  
(I can't go on)  
I can't go on in misery, yeah  
I can't live without you  
I need you

Whooooaaa, I can't go on living alone  
Without your love  
I can't go on this way  
Not without you baby, in my life  
In my life

Something about the way you love me  
You complete me  
I need you  
Don't take your love away from me  
I don't wanna live in misery  
I can't go on  
No  
All hope is gone  
I can't live without you  
I need you  
Don't take your love away from me
