Yo' (Yo')

Yo', girl (Yo', girl)

I take a shower (I take a shower)

I think about you (I think about you)

I put on my clothes (I put on my clothes )

And I think about you (I think about you)

I read the paper (I read the paper )

I think about you (I think about you)

Fix my dinner (Fix my dinner)

And I think about you (I think about you)

I lay in bed (I lay in bed )

And I think about you (And I think about you)

What am I gonna do (What I'm I gonna do)

I take a shower and I think about you (Yeah, yeah,  
yeah)

I put on my clothes and I think about you (Yeah, yeah,  
yeah)

I drive my car and I think about you (Mmm)

What am I to do (What am I to do, girl)

I read the paper and I think about you (Yeah, yeah,  
yeah)

I fix my dinner and I think about you (Mmm)

I lay in bed and I think about you (I think about you)

What I'm gonna do, what I'm gonna do

I heard it said that distance make the heart grow closer

Well, I will never get over the way we were that night

And I want to get it back

So if you're out there, please listen to this message  
from me

Know that I'm right here thinkin 'bout you

Hope that you too will another day 'cause all I do

I take a shower and I think about you (I think about you)

I put on my clothes and I think about you (I think about  
you)

I drive my car and I think about you (Tell me)

What am I to do (Oh, no)

I read the paper and I think about you (Read my paper)

I fix my dinner and I think about you (Think about you)  
I lay in bed and I think about you (Tell me)  
What I'm gonna do, what I'm gonna do (Baby)

You should hear them tellin' me I must be crazy  
'Cause I'm waitin' on you lately  
That's okay, alright, 'cause I need to get you back  
Want you to know that I don't regret  
A single moment I spent on you, my friend  
Thinking 'bout you, hope that you too will another day,  
yeah, yeah, yeah, yeah

I take a shower and I think about you (Oh, oh)  
I put on my clothes and I think about you (Think about  
you)  
I drive my car and I think about you (That's all I do)  
What am I to do (Girl, yeah)

I read the paper and I think about you  
I fix my dinner and I think about you (And I, uh)  
I lay in bed and I think about you (Oh, oh, oh...)  
What I'm gonna do, what I'm gonna do (Ho...ho...ho...)

Always thinkin' about you (Yeah, yeah, yeah)  
For me no doubt about you  
I'd rather be alone  
If I can't have you at all, at all

I take a shower and I think about you (Mmm, hmm)  
I put on my clothes and I think about you (That's all I do)  
I drive my car and I think about you (That's all I do)  
What am I to do (What I'm gonna do)

I read the paper and I think about you (I think about  
you)  
I fix my dinner and I think about you (I think about you)  
I lay in bed and I think about you  
What I'm gonna do, what I'm gonna do (Yeah, yeah,  
yeah, yeah, yeah)

I take a shower and I think about you (What I'm gonna  
do)  
I put on my clothes and I think about you (Can you  
please tell me)  
I drive my car and I think about you (You're always on  
my mind all the time)  
What am I to do (And you got me singin')

I take a shower and I think about you (Oh, my-my-my-  
my-my-my)  
I put on my clothes and I think about you (Oh, my-my-

my-my-my-my)

I drive my car and I think about you (Oh, my-my-my-my-my,  
that's all I do)

That's all I'm going to do (What I'm gonna do)

I read the paper and I think about you (Oh, my-my-my-my-my,  
my-my-my)

I fix my dinner and I think about you (Oh, my-my-my-my-my,  
my-my-my)

I lay in bed and I think about you (Oh, my-my-my-my-my-my,  
my, that's all I do)

What I'm gonna do, what I'm gonna do (What I'm gonna  
do)

I take a shower and I think about you

I put on my clothes and I think about you

I drive my car and I think about you

What I'm gonna do, what I'm gonna do
