I wanna make love (I wanna make love to you tonite)

I wanna make love (all night long)

I wanna make love (and after that bend down side to side)

I wanna make love, Girl, hay hmmm

I wanna make love, Tonight (Tonight)

All night, I want to make love tonight

Come on baby, I wanna make love

(Ooh please)

Tonight (all night)

I wanna make love tonight

The wine is chillin now,

But time is next

Fire nice and warm, come lay right here

The music is playing slow

It's time for love and you know it

And I been waiting for this moment, all night long
(Yeah!)

I wanna make love, Tonight (Tonight)

All night, I want to make love tonight

Let me please you

I wanna make love, Tonight (Tonight)

Ooh Yeah, I want to make love tonight

Deep inside your love

Where i wanna be

Girl let's not let this moment slip away

Let's do it left to right

We're do it baby good all night

And when the morning sun appears

We're start all over again, Tonight baby

I wanna make love

Aww baby, Tonight

All night, I want to make love tonight

I want to lick you from your head to yo toe, nice and slow

I wanna make love

See i wanna do you right

Tonight

I want to make love tonight

Teddy won't play that

Let me love you baby

Makin' love in the rain

I wanna make love in the rain, in the rain

Ooh yeah, Ooh Yeah

Makin' love in the rain

Deep inside your love

Where i wanna be (Deep insde your love)

Girl let's not this moment slip away

Let's do it left to right
