What we gon' do right here is go back
Way back, back into time

No, baby, no, baby, no, baby
No, no, no
If you take your love away from me
I'll go crazy, I'll go insane
(No, baby, no, baby, no, baby)
(No, no, no)

No, baby, no, baby, no, baby
No, no, no
No, baby, no, baby, no, baby
No, no, no

You've got your problems, baby and I've got mine
Let's just spend it all by puttin' it together, yeah
If you say you love me, it don't mean a thing
If you cared you'd be there like you used to be, yeah

I'm searchin' for the words to make you realize
That I really, really want you stay, ohh yeah
Tears of frustration I hold inside
But if you walk away you'll make this grown man cry

Don't leave, don't leave me girl
(No, baby, no, baby, no, baby)
(No, no, no)
Please stay with me tonight
(No, baby, no, baby, no, baby)

Don't leave me girl
(No, no, no)
Please stay with me to
(Yeah, oh)

Forget your pride girl, I'm beggin' you
You're my heart, you're my soul
You've got so much control

My love runs deeper than the ocean, it seems
But if you sail away

You'll take the center peace of me, don't leave

Don't leave, don't leave me girl
(No, no, no)
(No, baby, no, baby, no, baby)
(No, no, no)
Please stay with me tonight
(No, baby, no, baby, no, baby)

Don't leave me girl
(No, no, no)
Please stay with me to
(Oh, please)
(Yeah)

No, no, no
Don't leave, don't leave me girl
(No, baby, no, baby, no, baby)
(No, no, no)
Please stay with me tonight
(No, baby, no, baby, no, baby)

Don't leave me girl
(You can't leave me)
Please stay with me to
(No, baby, no, baby, no, baby)
(Ooh ooh ooh, yeah, yeah)

Stay
(Come on and stay with me)
Stay
(Don't leave)
Stay, stay right here with me forever
(Oh-oh oh oh-yeah yeah)

Stay
(I love you)
(No, baby, no, baby, no, baby)
Stay
(Yes I do)
Stay
(I need you)

Stay
(Don't leave me baby without you)
Stay right here with me forever
(No, no, no)

If you take your love away from me
I'll go crazy, crazy, crazy, insane, ooh ooh ooh
(If you take your love away from me, I'll go crazy)

I'll go crazy, I'll go insane
(I'll go insane, oh ho-o-o-oho)

If you take your love away me
(No, baby, no, baby, no, baby)
I'll go crazy, I'll go insane
(Please stay with me)
(No, baby, no, baby, no, baby)

Stay
(Forever)
Stay
(Forever)
Stay, stay right here with me forever
(Baby, don't take your love away from me girl)
(No, no, no)
(No, baby, no, baby, no, baby)

Stay
(Stay with me)
Stay
(Cause you know I love you)
Stay, stay right here with me for eve
(You know that I need ya, yes I do)
(Yes I do)

Whoa-oh, oh-ho
(Ooh-who)

Yeah, ye-yeah, yeah)
(No, no, no)
(No, baby, no, baby, no, baby)
