Drop a top to make you say wow
Sleep with the top, let that make you say wow
Pop in approach, makin' the industry wow
I can do a baller like 20 seconds like wow

Pick up a trick and the body's like wow
?? throwin' the face was like wow
Went to the crib and her mouth dropped like wow
Took off her clothes and then there always was trouble

Yo', this girl was so kinky like wow
The cranium was crazy, it made me say wow
Touchin' her clothes with her hands and meanwhile
She got me in her carpet and sweatin' like wow

I can't be greedy, that's not correct, wow
Phat expressin' her to my peeps, that's wow
Hit up my dawg on a two, he hollered wow
He called my cell and said, "I'll be there on the double"

So many Os, 64s, it's like wow
Where we go we ?? like wow

Ice and the chains, it's exotic like wow
Different colored diamonds hypnotic like wow
Ain't no stoppin' us now, we shuttin' it down
How you likin' me now, I got a new style

Shake your a**, won't you sleep with me now
Wiggle a little, shake, shake it in the middle

Touch what's really simple don't get stuck in the middle

I'mma, I'mma lay off that jam
Keg up to my Os and 7
Any where I go I'm winnin'

Since you be movin' it like that, think you'll be

When I be throwin' it at you, will you be bringin' it
