Everything cris  
I'm feeling bless  
Don't stress  
Jah will handle this  
Wipe out your tears, wipe out your fears  
You only have so many years  
You only have so many years

If you wanna give yuh haffi give  
If you wanna live get up and live  
If yuh waan talk don't crowd me  
Don't come around me  
I'm feelin irie  
x2

Time like a cheetah  
Run so fast  
You really got to make it last  
When you get down, get up  
When you fall down, stand up  
If dem can't hear, shout out  
If dem can't hear, shout loud  
But never worry

because there's always someone worse off

If you wanna give yuh haffi give  
If you wanna live get up and live  
If yuh waan talk don't crowd me  
Don't come around me  
I'm feelin irie  
x4

Everything cris  
I'm feeling bless  
Don't stress  
Jah will handle this  
Wipe out your tears, wipe out your fears  
You only have so many years  
You only have so many years

If you wanna give yuh haffi give

If you wanna live get up and live  
If yuh waan talk don't crowd me  
Don't come around me  
I'm feelin irie  
x2
