Well there's 22 shades of
Amber valletta
And there's 30 things she can do to you
If you let her
She's daring in chanel feline
In versace and fairy-like
In john galliano i don't know

And there's 30 things you can do to her
If she'll let ya
Johnny just don't know my babe
So preach on sista'
Where ya goin' to?
Your so sensuous and thoughtful baby
A full-length view

Want a wink?
Want a smile?
Praised for doing nothing at all
Wanna be a top model
She'll join me in the bathroom
For a masturbation session
Pages turn and stick together
Pages stick together honey
