you gotta be kidding me
i'm through with you boy anyway
i'll wait for you i always do
it's dumb but i want to anyway

so here we are stuck in hell
same old game, we know it well
i don't mind
anyway

spark it up and numb me on and off again
oh what the hell
i don't mind
anyway

been sittin' here
have another beer
i'm drunk but i want some anyway
to numb to know that i'm happy
without you i'm better off
anyway

So here we are, stuck in hell
same old game we know it well
I don't mind
anyway

spark it up and numb me on and off again
oh what the hell
i don't mind
anyway

so here we are
stuck in hell
same old game, we know it well
i don't mind
anyway

spark it up and numb me on and off again
oh what the hell
i don't mind

anyway
