Concentration  
A system overload  
Agitated  
By a man we know.  
Seamless placement  
Of things that we don't need  
But we struggle on  
And we leave someone.

Where were you when the world stood still?  
Watched a cross on a concrete hill.  
Did you lose your faith?  
Did I lose my mind?

Where were you when the world stood still?  
Watched a cross on a concrete hill.  
Did you lose your faith?  
Did I lose my mind?

Paranoia  
The fact that I feel old.  
Revolution  
Secrets to be told.  
Desperation  
Of a soul in need.  
The time is at hand  
To make a real demand.

Where were you when the world stood still?  
Watched a cross on a concrete hill.  
Did you lose your faith?  
Did I lose my mind?

Where were you when the world stood still?  
Watched a cross on a concrete hill.  
Did you lose your faith?  
Did I lose my mind?

Where were you when the world stood still?  
Watched a cross on a concrete hill.  
Did you lose your faith?

Did I lose my mind?

Where were you when the world stood still?

Where were you when the world stood still?
