Stand up my friend
This is the end
More than ever I think I need a break
From the things they do to the things they say
Please don't listen

And will it all work out
(Just go away)
Whose to say that's who is right and who is wrong
(Its not ok)
And I'll never walk alone
(Its not ok)
Whose to say that's who is right and who is wrong
(Its not ok)
And I'll never walk alone

I been mislead
By what they said.
But only time will we're living dead
By the things we're taught we blame our friends
Please don't listen
Will it all work out

(Just go away)
Whose to say that's who is right and who is wrong
(Its not ok)
And I'll never walk alone
(Its not ok)
Whose to say that's who is right and who is wrong
(Its not ok)
And I'll never walk alone

I hate my friends around me
They always tell me how to be
Whose to say that's who is right and who is wrong
(Its not ok)
And I'll never walk alone
(Its not ok)
Whose to say that's who is right and who is wrong
(Its not ok)
And I'll never walk alone

(Just go away)
(Just go away)
