Let's Go!!

Well it's too soon, it's too much for me to ignore  
I never tried to run cuz I thought I wanted more  
I hate to tell you this, please don't walk right out the  
door  
My mind's on cloud nine, but my heart fell through the  
floor  
I'm tellin' you

*[Chorus:]* Slow down- I gotta get used to this somehow  
Slow down- I've spent so long in lonesome town  
Slow down- You say the 'L' word, I have to frown  
Slow down- And let me make up my mind now

And now I'm lost, I think my fear is warranted  
because I know you're gonna break my heart again  
so this time I won't let you crawl inside my head  
because losing love is the one thing that I dread  
I'm tellin' you

*[Chorus]*

*[Bridge and Solo]*

*[Chorus]*
