Well he's come to rescue you, he's you're knight in
shining armor
And I'm left here to play the fool, while you're out with
that
Two-time charmer
What you want me to do is run out after you
And tell you I'm in love
But what I'm likely to say is, "I don't wanna play,"
"these games that you adore!"

All my life I tried to ignore
The way people, they wanted more
Well now I comprehend
This heart will never mend

It's you, the cause of all my pain
Break my heart, what will you gain?
Whatever you do, I'll feel the same
Cuz I'm a wallflower

Did I occupy your time?
Did I make you feel oh-so-fine?
Well now this bitter smile
Will let you know how I felt all the while
It's you, the cause of all my pain
Break my heart, what will you gain?
Whatever you do, I'll feel the same
Cuz I'm a wallflower

Well he's come to rescue you, he's you're knight in
shining armor
And I'm left here to play the fool, while you're out with
that
Two-time charmer
What you want me to do is run out after you
And tell you I'm in love
But what I'm likely to say is, "I don't wanna play,"
"these games that you adore!"

It's you, the cause of all my pain
Break my heart, what will you gain?
Whatever you do, I'll feel the same

Cuz I'm a wallflower
