you gotta be kidding me  
i'm through with you girl anyway  
i'll wait for you i always do  
it's dumb but i want to anyway

\*\* so here we are stuck in hell  
same old game we know it well  
i don't mind...anyway  
spark it up and numb me on and off again  
oh what the hell  
i don't mind...anyway

been sittin' here have another beer  
i'm drunk but i want some anyway  
i just don't care enough about you  
so fuck you anyway

\*\* so here we are stuck in hell  
same old game we know it well  
i don't mind...anyway  
spark it up and numb me on and off again  
oh what the hell

i don't mind...anyway

you gotta be kidding me  
i'm through with you girl anyway  
too numb to know that i'm happy  
without you i'm better off anyway

i just don't care enough about this to make the effort to  
show you  
that i care enough to try to get you back in bed with me

\*\* so here we are stuck in hell  
same old game we know it well  
i don't mind...anyway  
spark it up and numb me on and off again  
oh what the hell  
i don't mind...anyway
