you gotta be, kidding me.
i'm through with you girl anyway.
i'll wait for you, i always do,
it's dumb but i want to, anyway.

so here we are stuck in hell,
same old game we know it well
i don't mind...
anyway
spark it up and numb me on and off again,
what the hell, i don't mind..
anyway

been sittin here, have another beer.
i'm drunk but i want some anyway.
i just don't care enough about you,
so fuck you anyway.

so here we are, stuck in hell,
same old game we know it well,
i don't mind...anyway
spark it up and numb me on and off again
what the hell, i don't mind
anyway...

you gotta be, kidding me.
i'm through with you girl anyway.
too numb to know, that i'm happy
without you, i'm better off anyway.
i just don't care enough about this to make the effort
to show you that i care enough
to try to get you back in bed with me!
