"Beyond Measure"

Visit "[Beyond Measure](#)" on MotoLyrics.com

How can it be that I should gain?
An interest in the Savior's blood.
I caused His pain, we caused His pain.
He pursued death, for the world, for me.
How can it be? My God, died for me.

Clothed in righteousness divine, I bow before the
eternal throne.
The Glory of His boundless grave, I bow before the
eternal throne.
Spirit of truth our minds unite, I bow before the eternal
throne.

How can it be that I should gain?
An interest in the Savior's blood.
I caused His pain, we caused His pain.
He pursued death, for the world.

Where would I be? You only know.
My destiny. Found in You alone.
Where would I be? You only know.
My destiny. Found in You alone.
