Dynasty getting live on the spot,
Illin' in your face cuz you know we hot.
Puttin' all the shame in the game you got,
Forever bustin' whether you like it or not.

Dynasty ain't no self control,
Grab a hold, go fast or slow, no mercy on your soul.
INS try your best, no contest,
End of days, the winds of plague so party like the rest.
While on the track like Danica Patrick,
King of the jungle animal planet.
Them boys are most demanded,
Wu Tang our flow is branded.
Stay high like stakes in Vegas,
The kid I'll make you famous.
Headliner I'll make the pages,
Check the hater and wake the neighbors.

Dynasty getting live on the spot,
Illin' in your face cuz you know we hot.
Puttin' all the shame in the game you got,
Hater's actin' up cuz we make the beat
Mmmmm drop!
